

ID Gaurav Aur

Good evening sir.
I hope I didn't disturb you. Sir, would you give the feedback of the services which I have provided to you related to my painting & polishing work.
Your's faithfully: Ramniwas Gupta

TODAY

Hello,
I have absolutely no doubt about workmanship and quality offered by you.
You have done a wonderful job in the project entrusted to you.

You need to be more professional in your approach. Also you need to appoint a supervisor to monitor the project. And you need to work as a team and not just blame other agencies.
Rest all good.

Best of luck.
